

Themes

- measurement units and quantities
- measurement methods
- measurement uncertainty
- traceability
- method validation
- European research in metrology

Communication

During the plenary sessions, the time dedicated for the oral presentations given by special guests is of 30 minutes. The time dedicated to oral presentations given in the plenary session of November 18, 2011 is of 15 minutes. A large poster session is planned for November 17, 2011.

Abstracts and full papers

The deadline for abstract submission is 20.09.2011. Paper selection will be communicated until 01.10.2011. Full texts, selected by the Scientific Board, will be published in Metrologie Revue (B+ quotation).

Scope of the symposium

The Symposium aims at highlighting the present state of the scientific metrology in Romania and at outlining main development directions within the full integration of Romania in European Union and within the frame of Mutual Recognition Arrangement CIPM-MRA as well.

Preliminary Program

17.11.2011

8³⁰ – 9⁰⁰ – registration
9⁰⁰ – 9³⁰ – opening
9³⁰ – 11³⁰ – plenary session
11³⁰ – 12⁰⁰ – coffee break
12⁰⁰ – 14⁰⁰ – plenary session
14⁰⁰ – 15⁰⁰ – coffee break
15⁰⁰ – 17⁰⁰ – poster session

18.11.2011

9⁰⁰ – 11⁰⁰ – plenary session
11⁰⁰ – 11³⁰ – coffee break
11³⁰ – 13³⁰ – discussions, conclusions
and closure

Mission

The fundamental mission of the National Institute of Metrology (INM) is to prepare, maintain and disseminate units of measurement in Romania, in accordance with the Mutual Recognition Arrangement for National Measurement Standards requirements and Calibration Certificates issued by the national institutes of metrology ([CIPM-MRA](#)).

*Change must be evolution not revolution
(metrology makes no exception)*

Present and perspectives in the science of measurements

Symposium with international participation in the frame of manifestations on the occasion of the 60th anniversary since the foundation of the National Institute of Metrology in Romania
